THE HONOURABLE SRI JUSTICE A.GOPAL REDDY

W.P.No.2314/2006

ORAL ORDER

Against the impugned order dt. 12-12-2005 cancelling the authorization of the petitioner by the Revenue Divisional Officer, Bhongir, she will have a right of appeal to the Joint Collector, who can enquire into the various allegations made by the petitioner in his explanation, after calling for a report from the concerned authorities since the petitioner in his explanation admitted that the Sarpanch of the village has taken 20 quintals of rice by stating that he will distribute the same to the beneficiaries under Food for Work Programme and he has not distributed the same to them and sold the same at Rs.400/- per bag. Unless petitioner shows prejudice, this court cannot look into the allegations made by the petitioner.

Learned counsel for the petitioner seeks time for preferring appeal before the appropriate authority.

Accordingly, the petitioner is granted two weeks time from to-day for preferring appeal before the Joint Collector, Nalgonda Disrict against the impugned order. On filing such appeal, the Joint Collector shall entertain and pass appropriate orders without taking any objection with regard to limitation.

With the above direction, the writ petition is accordingly disposed of. No costs.
